

Patient Consent Form

I give the practice my consent:

- to use or disclose my protected health information to carry out my treatment;
- to obtain payment from insurance companies and for health-care operations like quality reviews.

I have been informed that I may review the practice's Notice of Privacy Practices before signing this consent.

I understand that this practice has the right to change their privacy practices and that I may obtain any revised notices at the practice.

I understand that I have the right to request a restriction of how my protected health information is used. However, I also understand that the practice is not required to agree to the request. If the practice agrees to my requested restriction they must follow the restriction(s).

I also understand that I may revoke this consent at any time, by making a request in writing, except for information already used or disclosed.

I have read and agree to the Patient Consent Form of Mills River Family Dental.
